

Northlake Mandeville Rotary Club College Scholarship

To High School Counselors:

The Northlake Mandeville Rotary Club is beginning its 10th year of providing college scholarships to two deserving high school seniors from our local area. Over the past 10 yrs we have helped 20 students in achieving their goal of a college education.

Students that qualify for the Rotary scholarship will have exemplified outstanding academic achievement and participated in serving our community through various volunteer, school, and civic organizations. In addition those students that exhibit financial need will also receive special consideration. *Our scholarship goal is to find a worthy student where our scholarship will make a difference in helping them realize their potential as a student and a member of our community.*

The Rotary Scholarship is an \$8000 award, paid to the college of the recipient's choice in \$1000 semester installments for a maximum of 8 semesters. The student must be full time as defined by the college they are attending and maintain a 2.5 GPA. The student will be invited to attend a Rotary meeting twice a year to report on their activities and to pick up their scholarship check. They must also provide the Rotary club with a copy of their grades.
